<http://tkeycoin.com/>, <http://tkeycoin.io/>, <http://tkeycoin.market/>,
<http://tkeycoin.group/> through which the services are provided.

The parties – the Operator and the User.

In the quality of goods (Services) the Operator shall consider providing access to the User's personal account on the Website and all of its functions, or content which can be downloaded from the web site or to the email address of the User.

2. GENERALITIES

2.1. This Policy defines the procedure for the provision, formation, processing and storage of personal data provided by Users in order to provide services.

2.2. This Policy comes into force from the moment of its adoption by the User as a result of the registration procedure by filling in the registration form posted on the Website or its subdomains, indicating acceptance of the terms of this Policy, or by other approval, based on the user's specific actions.

2.3. By accepting the terms of the Policy, the User agrees to any methods of processing his / her personal data, including any action (operation) or a set of actions (operations) performed with or without the use of automation tools with personal data, including collection, recording, systematization, accumulation, storage, clarification (update, change), extraction, use, transfer (distribution, provision, access), depersonalization, blocking, deletion, destruction of personal data for the purposes set forth in this Policy.

2.4. Processing of personal data of the User is carried out in compliance with the Federal law of July 27, 2006 № 152-FZ "on personal data" and other regulatory legal acts governing the protection of personal data.

2.5. The User's personal data concerning race, political opinion, religious or philosophical beliefs, health, sexual life can not be obtained and processed.

2.6. Processing is organized by the Operator on the principles of:

- rule of law and equity;
- processing only personal data that meets the purposes of their processing;
- compliance of the content and scope of the processed personal data with the stated purposes of processing.
- inadmissibility of combining databases containing personal data, the processing of which is carried out for purposes incompatible with each other.
- ensuring the accuracy of personal data, their sufficiency, and, where necessary, relevance to the purposes of personal data processing. The operator shall take the necessary measures or ensure their adoption to remove or specify incomplete or inaccurate data;
- storage of personal data in a form that allows to determine the subject of personal data, no longer than required by the purpose of personal data processing.

2.7. Personal data within the meaning of this Provision include: full name, telephone, e-mail, place of residence, as well as other data on the subject of personal data in accordance with the Federal law of 27.07.2006 N 152-FZ "on personal data", which are specified by the User himself.

2.8. The date of issuance of consent to the processing of personal data by the User is the date of sending the registration web form from the site.

3. GETTING USER DATA

3.1. The operator strictly follows the principles of confidentiality. The user agrees that the Operator may save several General levels of information about the visit to the Site:

3.1.1. The first level of information includes static and other analytical information collected through third-party integration tools (for example: IP address, location, browser type, computer operating system, application version, language settings, and pages displayed). As well as data identifying the user's mobile device, its specific settings and characteristics, latitude/longitude information).

3.1.2. The second level of information is personal or personal information sent to the Operator.

3.2. Personal information will be used by the Operator for the following purposes only:

- rendering of services;
- use of site;
- Providing technical support in connection with the use of the Site, the provision of Services;

3.3. When a user of the Internet accesses the Site to a computer used for access, cookies may be recorded, which will later be used to automatically authorize the User to the Site, as well as to collect statistical data about the Users.

4. THE TRANSFER OF DATA TO THIRD PARTIES

4.1. The operator may transfer the User's personal data to third-party service providers (including, but not limited to, any financial and brokerage companies, banks, etc.) in order to provide services, if such persons are involved by the Operator, as well as employees.

4.2. The third parties involved have no right to use the User's personal data for their own purposes or for other purposes not related to the provision of services.

5. STORAGE OF PERSONAL DATA

5.1. The User's personal data are stored electronically for 5 years from the date of issuance.

5.2. In the event of expiration or termination of the contract with the User is carried out blocking of the personal data of the User in accordance with the requirements of the legislation of the Russian Federation.

5.3. In accordance with the requirements of the legislation of the Russian Federation, the destruction of user's personal data is carried out after the termination of the grounds for their preservation. The destruction of the User's personal data before the expiration of this period may be made on the basis of a written application of the User, by sending an application for withdrawal of consent to the processing of personal data to e-mail: support@tkey.biz

9. In case of withdrawal of consent to the processing of personal data by the subject of personal data or his representative, the Operator has the right to continue the processing of personal data without the consent of the subject of personal data if there are grounds specified in paragraphs 2-11 of part 1 of article 6, part 2 of article 10 and part 2 of article 11 of Federal law No. 152-FZ "on personal data" of 27.07.2006.

6. PERSONAL DATA PROTECTION

6.1. The User's personal data shall be protected from unauthorized access and distribution in accordance with internal rules and regulations.

6.2. Protection of the User's personal data is ensured:

- Preventing unauthorized access to the processed personal data of the User.
- Prevention of unauthorized actions to modify, distort, distribute, block, destroy the processed personal data of the user.
- Ensuring the confidentiality of the User's processed personal data.

7. FINAL PROVISION

7.1. This Policy may be changed unilaterally without prior notice to the User.

7.2. The new version of the Policy comes into force from the moment it is posted on the site.

7.3. The rights and obligations of the parties are always subject to a new version of the Policy, unless otherwise follows from the nature of legal relations. The new version of the Policy applies to previously existing legal relations between the Operator and the user.

7.4. The current version is always on the page at <http://tkeycoin.com/doc/en/confidential.pdf>.

7.4. In all other respects not covered by this Policy shall be governed by the legislation of the Russian Federation.

8. FEEDBACK. QUESTIONS AND SUGGESTIONS

8.1. Any suggestions or questions regarding this Policy should be communicated to the Operator's support team via email support@tkey.biz or by phone +7(499) 899-45-89
